

**KIYOSHI YAMAKI, Ph.D.**  
**(U.S. Citizen)**

---

**Office Address:** Department of Disability and Human Development  
College of Applied Health Sciences  
University of Illinois at Chicago (M/C 626)  
1640 West Roosevelt Road  
Chicago, Illinois 60608  
kiyoshiy@uic.edu

### **Education**

- Ph.D.** Public Health Sciences, School of Public Health, University of Illinois at Chicago, 1999. Focused area: Community Health Science, mental retardation/mental illness track. Dissertation: Employment and income status of adults with developmental disabilities living in the community.
- M.S.** Rehabilitation Counseling, Department of Rehabilitation Services, Springfield College, Springfield, MA, 1990. Focused area: Supported Employment. Thesis: Community attitudes toward people with mental retardation in Belchertown.
- B.A.** Comparative Culture, Department of Comparative Culture, Sophia University, Tokyo, Japan, 1980. Focused area: Comparison of Eastern and Western cultural.

### **Employment**

- Research Associate Professor** (November 2013 to present). Department of Disability and Human Development, College of Applied Health Sciences, University of Illinois at Chicago.
- Research Assistant Professor** (March 2004 to November 2013). Department of Disability and Human Development, College of Applied Health Sciences, University of Illinois at Chicago.
- Project Coordinator** (April 2002 to March 2005). “State Infrastructure Development Project for Preventing Secondary Conditions and Promoting Health of People with Disabilities (PI: James Rimmer, Ph.D.)” Department of Disability and Human Development, University of Illinois at Chicago. Responsible for conducting a population-based telephone survey on the health risks of persons with disabilities in Illinois and capacity-building with the State Department of Public Health.
- Research Data Analyst** (April 1999 to March 2002). “Center on Epidemiology and Disability (PI: Glenn Fujiura, Ph.D.)” Department of Disability and Human Development, University of Illinois at Chicago. Responsible for longitudinal and cross-sectional analyses to profile Americans with a disability using national-level survey data sets, and evaluation of state-based public health surveillance data sets to identify the emerging cause of disability.
- Visiting Research Specialist** (December 1997 to March 1999). “Center on Emergent Disability (PI: Glenn Fujiura, Ph.D.)” Department of Disability and Human Development, University of Illinois at Chicago. Responsible for data management and secondary analyses of various national-level survey data sets from the U.S. Bureau of Census and the National Center on Health Statistics.
- Research Assistant** (August 1991 to November 1997). Institute on Disability and Human Development, University of Illinois at Chicago. Responsible for data management and secondary analyses of survey data on income, use of public assistance programs, and disability of Americans.

**Vocational Counselor** (July 1990 to July 1991). Kanagawa-ken Medical-Welfare Foundation for Children, Yokohama, Japan. Responsible for assessing vocational aptitude, interest, and skills of persons with a disability, supporting them in seeking employment and providing initial on-the-job-training at the work site in the community.

**Direct Support Professional** (September 1981 to August 1988). Kawasaki Jusan Gakuen, Kawasaki, Japan. Responsible for providing vocational, prevocational and ADL training for residential service users with mental retardation.

### Published Translations in Japanese

*Honninto Shiensha no tamenno Kenri Yo-go Gaido Bukku.* (2001). Published from the Inclusion Japan, Tokyo, Japan. Served as the chief editor and a translator for the Japanese translation of *Consent Handbook for Self-Advocates and Support Staff* (American Association on Mental Retardation, 1999).

*Chiteki Shogaisha no Kyoju Sa-bisu.* (2000). Published from the Institute for Developmental Research, Aichi, Japan. This monograph is a Japanese translation of the keynote speech, "Residential Services for Persons with Mental Retardation," by Dr. K. C. Lakin of University of Minnesota on January 27, 2000 at the 7<sup>th</sup> National Conference on Community Integration by the Japanese Association of the Care Facilities for People with Intellectual Disabilities in Makuhari, Japan.

*America deno Chiteki Shogaisha Sa-bisu.* (2000). Published from the Institute for Developmental Research, Aichi, Japan. This monograph is the Japanese translation of the chapter "Mental Retardation and Developmental Disabilities: Historical and Contemporary Perspective" in *The State of the States Developmental Disabilities: 5<sup>th</sup> edition* (American Association on Mental Retardation, 1998).

The Results of the Welfare Administration's 1990 Basic Survey of Adults with Mental Retardation (1992). Published from the Japanese League for the Mentally Retarded, Tokyo, Japan. This is an English translation of the report on the national survey on Japanese persons with mental retardation originally published by the Japanese Minister of Health and Welfare in 1991.

*Jyobu kochi Manyuaru* (1991). Published from the Kanagawa-ken Medical-Welfare Foundation for Children, Yokohama, Japan. This is a Japanese translation of the monograph, *Instructional Guide for Training on a Job Site* (Rehabilitation Research and Training Center on Supported Employment at Virginia Commonwealth University, 1990).

### Presentations

#### Peer-reviewed Conference Presentations

**Yamaki, K.,** Owen, R., Mitchell, D., & Heller, T. (2016, Nov. 1). How does managed care model affect health service utilization among Medicaid beneficiaries with intellectual and developmental disabilities? Evidence from Illinois. Paper presented at the American Public Health Association 144th Annual Meeting, Denver, CO.

**Yamaki, K.,** Vogel, L., Davis-Lowry, B., & Patt, P., & Lescher, S. (2015, Nov. 3). Comparison of Body Weight Status among Adolescents with Mobility Limitations by their Orthopedic Conditions and Demographics. Poster presented at the American Public Health Association 143d Annual Meeting, Chicago, IL.

**Yamaki, K.,** Xiong, S., Cox, C., & Soady, B. (2015, Nov. 4). A Snapshot of the Available Accessibility Features for People with Physical Disabilities across Potential Emergency Shelters. Paper presented at the American Public Health Association 143d Annual Meeting, Chicago, IL.

**Yamaki, K.,** Lamp, S., & Cox, C. (2015, Nov. 1). Availability of accessibility features for patients with mobility disabilities at primary health care facilities: Findings from a provider survey. Poster presented at the American Public Health Association 143d Annual Meeting, Chicago, IL.

Wing, C., **Yamaki, K.,** Mitchell, D., Owen, R., & Heller, T. (2015, Nov. 2). Impact of Medicaid Managed Care Program on the State Cost and Medical Care Expenditures: Evidence from a Pilot Program in Illinois. Paper presented at the American Public Health Association 143d Annual Meeting, Chicago, IL.

- Eisenberg, Y., Mitchell, D., **Yamaki, K.**, Wing, C., Heller, T., & Owen, R. (2015, Nov. 3). Assessing the Impact of a Transition to Managed Care on Non-Emergency Transportation Services. Paper presented at the American Public Health Association 143d Annual Meeting, Chicago, IL.
- Yamaki, K.**, Owen, R., Mitchell, D., & Heller, T. (2014, Nov. 17). Use of preventive health services among Medicaid members with intellectual and developmental disabilities: Analysis of state Medicaid claims data. Poster presented at the American Public Health Association 142nd Annual Meeting, New Orleans, LA.
- Coniglio, R., Makowski, M., Pywell, C., & **Yamaki, K.** (2014, July 8). Are You Ready? A Train-the-Trainer Workshop in Emergency Preparedness for Individuals with Access and Functional Needs. Paper presented at the 2014 Integrated Public Health and Medical Preparedness Summit, Schaumburg, IL
- Coniglio, R., Makowski, M., Soady, B., & **Yamaki, K.** (2014, July 9). A Whole Community Approach to Serving Individuals with Functional Needs. Paper presented at the 2014 Integrated Public Health and Medical Preparedness Summit, Schaumburg, IL
- Yamaki, K.** (2014, April, 8). Prevalence of people with functional needs in Illinois. Webinar presentation in “Partnering with people with disabilities in emergency preparedness activities” by Illinois Department of Public Health, Disability and Health Program.
- Yamaki, K.**, Davis Lowry, B. (2013, November, 3). Obesity among adolescents by race/ethnicity and disability: analysis of state surveillance data from 2001 to 2010. Paper presented at the American Public Health Association 141st Annual Meeting, Boston, MA.
- Yamaki, K.** (2011, November). Are dental hygienists ready for patients with disabilities? Findings from a statewide census on their training and comfort level in treating patients with disabilities. Paper presented at the the American Public Health Association 139th Annual Meeting, Washington, DC.
- Yamaki, K.**, Janssen, J., Wadhawan, S., Ballweg, S., & Cox, C. (2011, November). Training experience and comfort level of practicing dentists in the community in treating patients with physical, cognitive, and sensory disabilities. Poster presented at the American Public Health Association 139th Annual Meeting, Washington, DC.
- Yamaki, K.**, Rimmer, J. Davis Lowry, B., Buscaj, E., Spassiani, N., Zisko, L., & Madrigal, J. (2011, November). Availability of obesity data on adolescents with disabilities in state health surveillance programs. Paper presented at the American Public Health Association 139th Annual Meeting, Washington, DC.
- Yamaki, K.**, & Cox, C. (2011, October). Access to Care: Training experience and comfort level of practicing dentists in the community in treating patients with physical, cognitive, and sensory disabilities. Paper presented at the Statewide Oral Health Conference, Rosemont, IL.
- Rimmer, J., Davis Lowry, B., **Yamaki, K.** (2010, November). Population based data may underestimate the true prevalence of obesity for youth with mobility disabilities. Paper presented at the the American Public Health Association 138th Annual Meeting, Denver, CO.
- Rimmer, J., **Yamaki, K.**, Davis Lowry, B., Wang, E. (2010, November). Adolescents with disabilities are at the top of the obesity ranking and have a high rate of obesity-related secondary conditions. Poster presented at the the American Public Health Association 138th Annual Meeting, Denver, CO.
- Davis, B, Rimmer, J., **Yamaki, K.** (2010, November). Population based data may underestimate the true prevalence of obesity for youth with mobility disabilities. Paper presented at the the American Public Health Association 138th Annual Meeting, Denver, CO.
- Yamaki, K.**, Cox, C., Gecht-Silver, M., Kaye, M. (2009, November). Medical students meet patients with disabilities for the first time: Working to build a better doctor-patient partnership. Poster presented at the American Public Health Association 137rd Annual Meeting, Philadelphia, PA.
- Yamaki, K.**, Rimmer, J., Davis, B. (2009, November). Prevalence of secondary conditions among adolescents with disabilities. Poster presented at the American Public Health Association 137rd Annual Meeting, Philadelphia, PA.

- Davis, B., Rimmer, J., **Yamaki, K.** (2009, November). Physical activity with peers and exercise frequency among adolescents with disabilities: Results from the Health and Lifestyles of Youth with Disabilities Survey. Poster presented at the American Public Health Association 137rd Annual Meeting, Philadelphia, PA.
- Rimmer, J., **Yamaki, K.**, Davis, B. (2009, May 4). Health and lifestyle of youth with disabilities. Paper presented at the 2009 National Association of Rehabilitation Research Training Centers Annual Meeting. Arlington, VA.
- Yamaki, K.**, Hsieh, K., Heller, T. (2008, Oct). Health profile of female caregivers supporting adults with intellectual and developmental disabilities at home. Poster presented at the American Public Health Association 136nd Annual Meeting, San Diego, CA.
- Yamaki, K.** (2008, Oct). Removing program borders: Illinois' approach to develop collaborations among chronic disease programs to reach persons with disabilities. Poster presented at the American Public Health Association 136nd Annual Meeting, San Diego, CA.
- Yamaki, K.**, & Hsieh, K. (2007, May). Health profile of family caregivers supporting adults with intellectual and developmental disabilities at home. Poster presented at the State of the Science in Aging with Developmental Disabilities: Charting lifespan trajectories and supportive environments for healthy community living. Atlanta, GA.
- Yamaki, K.**, Rimmer, J., Fujiura, G., Heller, T., & Kramer, J. (2004, November). Body weight status and weight management practices among adults with developmental disabilities in Illinois. Paper presented at the American Public Health Association 132nd Annual Meeting, Washington, DC.
- Yamaki, K.** & Ong, C. (2004, September). Preventing chronic health condition: From data to practice. Paper presented at the 2004 Annual Meeting of the American Association on Mental Retardation - Illinois, Naperville, IL.
- Yamaki, K.** (2003, May). Trend of body weight status among adults with intellectual disability in the community. Paper presented at the 127<sup>th</sup> Annual Meeting of the American Association on Mental Retardation, Chicago, IL.
- Yamaki, K.**, Rutkowski-Kmitta, V., & Fujiura, G. (2003, March). Emerging etiology of disablement: State and national policy implications. Paper presented at the Changing Concepts of Health and Disability, Bethesda, MD.
- Hsieh, K., **Yamaki, K.**, & Heller, T. (2003, March). Prevalence and trend of overweight among aging Asian Americans. Paper presented at the Second Meeting of the International Society for the Study of the Aging Male, Taipei, Republic of China (Taiwan).
- Yamaki, K.** (2001, November). Employment and income status among adults with developmental disabilities living in the community. Poster presented at the Invitational Research Symposium, Rehabilitation Research and Training Center on Aging with Developmental Disabilities, Chicago, IL.
- Yamaki, K.**, Rutkowski-Kmitta, V., & Fujiura, G. (2001, October). Injury as a Cause of Disability: A national-level Longitudinal Analysis. Poster presented at the 129<sup>th</sup> American Public Health Association Annual Meeting, Atlanta, GA.
- Nakagawa, Y., Horie, M., & **Yamaki, K.** (2001, July). Japanese students with a disability in Chicago. Paper presented at the annual meeting of the Japanese Association of Special Education, Tsukuba, Japan.
- Yamaki, K.** (2001, May). Diversity within the developmental disabilities population: Comparison of employment and income status between persons with and without mental retardation. Poster presented at the 125<sup>th</sup> Annual Meeting of the American Association on Mental Retardation, Denver, CO.
- Yamaki, K.** (1997, May). Economic self-sufficiency among adults with developmental disabilities: Data from the Survey of Income and Program Participation. Poster session presented at the American Association on Mental Retardation 120<sup>th</sup> Annual Meeting, San Antonio, TX.

- Fujiura, G., & **Yamaki, K.** (1994, May). The demography of family-based care: Prevalence and economic implications for community services. Paper presented at the American Association on Mental Retardation 118<sup>th</sup> Annual Meeting, Boston, MA.
- Jackson, R., **Yamaki, K.**, & Reilly, J. (1992, March). Invitation to Illinois Association for Persons in Supported Employment. Paper presented at the Illinois Association for Persons with Severe Handicaps Annual Conference, Chicago, IL.

### **Invited Presentations**

- Yamaki, K.** (2013, February 23). Service for people with developmental disabilities in US and Illinois. Paper presented at the 30<sup>th</sup> Anniversary Meeting of Shimizu Foundation, Tokyo, Japan.
- Yamaki, K.**, Ailey, S., & Delay, K. (2012, March 15). A nurse's guide to communicating and interacting with patients with disabilities. Paper presented at a webinar for Illinois Network for Education and Training Center.
- Yamaki, K.**, Rada, R., Pinkwater, J., & Demattei, R. (2012, March 8). Oral health professionals guide to communicating and interacting with patients with disabilities. Paper presented at a webinar for Illinois Network for Education and Training Center.
- Rimmer, J., **Yamaki, K.**, Davis, B. (2010, March 4). Webcast 24 Disparities in Obesity and Disability (*Part 2*): Developing Research Partnerships and Collaborations. Paper presented at a webinar for National Center for the Dissemination of Disability Research (NCDDR).
- Rimmer, J., **Yamaki, K.**, Davis, B. (2009, December 3). Webcast 21: Documenting Disparities in Obesity and Disability (*Part 1*): Developing Research Partnerships and Collaborations. Paper presented at a webinar for National Center for the Dissemination of Disability Research (NCDDR).
- Yamaki, K.** (1993, November). Supported employment: An employment service for Americans with severe handicaps. Paper presented at the National Symposium of the Kanagawa-ken Medical-Welfare Foundation, Yokohama, Japan.

## **Teaching Experience**

### **Academic Courses**

- Introduction to SPSS as a research tool (Spring, 2004). 2-credit introductory course at University of Illinois at Chicago, Department of Disability and Human Development. The course explores a basic operation of the statistical software. Instructor.
- Health Promotion for People with Intellectual and Developmental Disabilities (January 2011 to present). A selective course for the 3<sup>rd</sup> year medical students at University of Illinois at Chicago, College of Medicine. Division of Family Medicine. The course is designed to increase awareness of students in serving persons with IDD through the development patient-centered health education program. Co-instructor.

### **Invited Guest Lectures**

- Disability and Health (May 9, 2013; May 15, 2014; May 7, 2015). Invited guest lecture for 1<sup>st</sup> year medical students at University of Chicago, Pritzker School of Medicine.
- Caring for the Patients with Disabilities: Patients as Teachers (February 28, 2011; February 28, 2012; February 11, 2014; February 10, 2015; February 9, 2016). Invited guest lecture for physician's assistant students at Northwestern University, Feinberg School of Medicine, Physician's Assistant program.
- Disability and Health: Research and Policy (2010, March). Invited guest lecture for Disability Policy II: Contemporary Issues in Disability Policy (DHD582). University of Illinois at Chicago, Department of Disability and Human Development.

Social and political structure of the United States and its service model (2002, October). Invited guest lecture for “Seminar on International Perspective in Disability and Welfare Services,” at Okayama Prefectural University, School of Health and Welfare Science. Okayama, Japan.

Disability services in the United States (2002, October). Invited guest lecture for “Seminar on Disability and Social Service Policy,” at Okayama Prefectural University, School of Health and Welfare Science. Okayama, Japan.

Employment and income status of Americans with developmental disabilities (1999, September). An invited guest lecture for “Interdisciplinary Disability Seminar,” University of Illinois at Chicago, College of Applied Health Sciences, Department of Occupational Therapy.

### **Mentorship of Students**

Alexandra Ibrahim (2015). University of Illinois at Chicago, School of Public Health. Mentored her research project for IL LEND program.

Sarah Agmah (2015). University of Illinois at Chicago, School of Public Health. Mentored her research project for IL LEND program.

Miguel Morales (2015). University of Illinois at Chicago, School of Public Health. Mentored her research project for IL LEND program.

Tina Schuh (2015). University of Illinois at Chicago, School of Public Health. Mentored her research project for IL LEND program.

Lourene Cichon (2014). University of Illinois at Chicago, School of Public Health. Mentored her research project for IL LEND program.

Reilly (2014). University of Illinois at Chicago, School of Public Health. Mentored her research project for IL LEND program.

Heanan Li. (2014). University of Illinois at Chicago, Department of Disability and Human Development. Served as preliminary exam committee member.
